Current RC Club Memberships: _____

RULES AND SAFETY CODE COMPLIANCE; WAIVER AND RELEASE OF LIABILITY

I hereby agree to comply with all Long Island Flying Eagles (L.I.F.E.) rules, Bylaws, field safety rules, and the AMA National Safety Code during my entire L.I.F.E. membership and I understand that my failure to comply may result in suspension or permanent dismissal from the Club. I agree that I must be a current AMA member, covered by AMA insurance in order to fly and that I will not fly if my AMA membership has lapsed. I accept the terms of the Club's Pilot Qualification Demonstration program as a prerequisite for unsupervised flight at the Club field.

I am aware that RC modeling may present hazards to participants and spectators. I exempt, waive and relieve the L.I.F.E. Club and its officers, members, contest directors and L.I.F.E. Club flying site owners from all current and future liability for personal injury, property damage, or wrongful death caused by accident, negligence or otherwise.

This waiver shall be in force at all times while I am a member of the L.I.F.E. Club, and this waiver does not require my ressignature when I renew my membership.

Signature of Applicant

Date

If applicant is less than 18 years of age, parent or guardian must also sign application.

Date

When submitting your application, please include a copy of your:

- AMA card
- The Recreational UAS Safety Test (TRUST) card
- FAA registration card

Join the Academy of Model Aeronautics (AMA) at <https://www.modelaircraft.org>

The TRUST is a free online test that covers basic safety and legal requirements. It's quick and easy, and you can take it at <https://www.modelaircraft.org/trust>

The FAA requires you to register your model aircraft before you can start flying.

Complete the registration at <https://faadronezone-access.faa.gov/#/>

Then make sure to label your aircraft with the provided registration number.
