

LONG ISLAND FLYING EAGLES

PILOT QUALIFICATION

1. Pilot Qualification is required of **all** incoming Club members.
2. Prior to Qualification;
 - a. A new Member will be issued a “Flight Qual Required” Club Card entitling him to all the rights and privileges of Membership appropriate to his tenure in the Club.
 - b. Experienced Pilots must fly under the sponsorship of a Regular Club Member.
 - c. Beginner Pilots must fly on a Buddy Box under the direction of a Club Certified Instructor.
3. A Beginner Pilot shall be instructed by one or more Certified Club Instructors until such time as the Instructor(s) consider the Beginner Pilot ready to perform the Pilot Qualification Demonstration.
4. An Experienced Pilot may opt to perform the Pilot Qualification Demonstration at any time he wishes, contingent upon arranging for the presence of A Club Certified Instructor.
5. Prior to the start of the Pilot Qualification Demonstration, the Club Certified Instructors shall confirm by verbal examination that the Pilot has a working knowledge of the Club’s Field Safety Rules.
6. The Pilot Qualification Demonstration will consist of two solo flights in the presence of a Club Certified Instructor, each flight encompassing all specified elements of the demonstration. Failure of any one of the elements will require the repeat of the entire demonstration flight.
7. Upon successful completion of the Pilot Qualification Demonstration, the Instructor shall sign-off the Pilot Qualification Demonstration record and, at that time, the Pilot will be considered to be fully qualified.
8. Upon receipt of a properly executed Pilot Qualification Demonstration record, the Club Secretary shall issue to the newly qualified Pilot an appropriate Club Card for the current Club Year.
